Sections 89 & 90, Civil Aviation Act 2000

ANNOUNCEMENT OF NEW OR REVISED CHARGE

TO : ALL VALUED USERS, USER REPRESENTATIVE ORGANISATIONS,
STAKEHOLDER ORGANISATIONS & ALL IATA MEMBERS

DATE : 05 JULY 2024

ANNOUNCEMENT OF REVISED AIR NAVIGATION SERVICES CHARGE UNDER SECTION 90 OF THE CIVIL AVIATION ACT 2000

In accordance with *Sections 89 and 90 of the Civil Aviation Act 2000*, and following a period of thorough consultation and review, we hereby announce a revision to the air navigation services charge.

Details of the Revised Charge:

- **Charge Description:** A detailed description of the charge can be found in Document 892B, available on the company website, Page 33, under the heading Proposed ANS charges and rates 2024. An extract of the relevant matrix and specific details is an attachment to this announcement.
- **Effective Date:** 15 July 2024

This revised charge reflects a comprehensive assessment of operational costs, ensuring the sustainability and enhancement of air navigation services. The revision is made considering feedback received during the consultation phase and aligns with our commitment to cost-relatedness and efficiency.

Appeal Procedure

The new/revised charges may be appealed on application to the Secretary of the Department of Transport, should you seek recourse through the appeal procedure set out in the Act as explained in Document 892B (pages 45 – 48). Additionally, the Act (Section 92) provides the legal framework for appeals.

Availability of Announcement:

- This announcement is communicated to all representative organizations of affected users and individuals who have previously indicated a desire to receive such notices.
- The full details of this announcement are available on www.niuskypacific.com.pg.
- A copy of this announcement has been filed with the Departmental Head of the Department of Transport of the Independent State of Papua New as per regulatory requirements.

Implementation Date:

Pursuant to Section 91, the revised air navigation services charge will be implemented and become payable not less than 10 days following this announcement, specifically on 15 July 2024, ensuring stakeholders are adequately informed of the impending change.

We appreciate your engagement and feedback throughout this process and remain committed to providing high-quality, efficient air navigation services.
